You must be at least 21 years old to reserve a motorhome and hold a valid driver's licence issued by your own country. This licence must be valid until at least one day after you drop off your vehicle.

DO I NEED TO CLEAN THE RV AND EMPTY THE WASTE TANK BEFORE RETURNING IT?

We would be happy to have you sweep out the unit and ensure the fridge is empty with any spills wiped out. Please remove all garbage from the RV, wipe down the table and countertops, dishes are clean and that the stove and microwave are free of grease. Please empty the sewer (black water) and wastewater (grey water) tanks into appropriate dump stations prior to return. If you choose not to do these steps, or would like us to do so, we are happy to do the cleaning for an additional charge.

DO YOU HAVE A MINIMUM RENTAL PERIOD?

While we are happy for our guests to book any number of nights, we have a minimum rental charge based on 5 nights year-round. The cost will vary and is dependent on rates applicable at time of booking.

DO YOU ALLOW PETS?

We are happy to welcome your pet travelling with you with payment of a pet fee. We ask that guests tell us in advance if they wish to bring their pet and require guests to ensure their pet does not cause any damage to the RV. Should additional pet cleaning be required at drop-off, extra cleaning charges will apply. Please refer to our pet policy for more information.

CAN I TOW ANYTHING BEHIND THE RV OR TRANSPORT OBJECTS ON THE ROOF?

We do not permit towing of any kind behind the RV. We also do not allow the transportation of canoes or other objects on the roof of the RV. Your insurance coverage with Canadream will not cover damage to the vehicle if the RV is being used to tow anything or has an incident because of transporting an object on the roof of the RV.
